

DREAMCATCHER

HAUTE ALPINE CHALETs

It's Getting Haute Up Here

Did you know.....things are really heating up at **DreamCatcher** these days! Remember those 3 homes we have been going on about that are on sale for less than the Developer's cost? Well, we have sold one of them, to some new purchasers who are busy moving their furnishings in now, before winter really sets in. They recognized a good deal when they saw it and we are confident they will be laughing all the way to the bank as the real estate markets continue to shore up.

There are still 2 of these beautiful, built [Alpine Chalets](#) available. Just imagine what it would be like spending this Thanksgiving weekend relaxing around the full height Eldorado LedgeStone fireplace in your new timber-accented living room sharing good conversation with great friends and a full tummy. It might be too late for you for this Thanksgiving feast, but it's not too late for the winter holiday and ski season just around the corner.

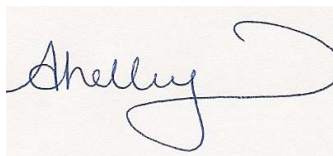

DreamCatcher's exclusive owners' only \$1.5 million amenity facility, the [MountainSide Club](#), is now fully functional with the outdoor pool and hot tub receiving final approvals from the Health Inspector early this fall. While the pool will be closed for the winter, the over-sized key-shaped hot tub is open year round and boasts tremendous views up the front face of the ski hill at Kimberley Alpine Resort, just a five minute walk away (and that's WITH your ski boots on!). After a full day on the slopes, you can come home to **DreamCatcher**, drop off your gear and slide into the toasty hot tub to warm up your body.

If you have ever dreamed of making an investment in a High Country lifestyle, the fall of 2009 may be your best opportunity, while prices are down and interest rates are at historic lows. At **DreamCatcher** you will find high quality homes, a gracious woodland community, a lifestyle amenity club, and a welcome sense of community with like-minded neighbours, all in an "A+" location in what is arguable the Kootenay's hottest emerging recreational and retirement market.

There may never be a better time, and in Kimberley, there may never be a better place. Your best time is now.

[Contact us today.](#) We are open Fridays through Tuesdays, from noon until 6pm, and by appointment.

Wishing you and your families a safe and happy Thanksgiving weekend.
